What did Warren Vincentz do over the past four years to gain your support for Mayor of the Borough of Ridgefield???

ABSOLUTELY NOTHING!!!

In fact, municipal spending exploded under Finance Chairman Vincentz causing your taxes to skyrocket from 2007-2010!!!

LEGAL FEES WENT THROUGH THE ROOF UNDER THE VINCENTZ FINANCE TEAM:

*In 2007 Vincentz becomes Chairman of Finance and Administration and appoints politically connected lawyer who ran up astronomical legal fees!!!

WARREN VINCENTZ = HIGHER TAXES

The Suarez Administration hired a company to investigate the outrageous billing practices of the prior politically connected town attorney, which found that **the Borough was overcharged more than \$211,000.00!!!**

Who hired this politically connected lawyer???

Who voted against investigating this politically-connected lawyer???

Who approved all the overbilling for the politically-connected lawyer???

Who was not looking out for Ridgefield???

VINCENTZ THAT'S WHO!!!

WHAT DID THE SUAREZ TAXPAYER TEAM DO ABOUT THIS VINCENTZ BLUNDER???

- Fired the politically connected lawyer that Vincentz brought to town.
- Hired a company to investigate the overbilling, and recovered over \$100,000.00 for the town.
- Ensured that legal fees are a fraction of the cost that you were saddled with under the Vincentz regime.
