

# ATTENTION RIDGEFIELD RESIDENTS:

We all know that Councilman Warren Vincentz wants to be your Mayor, even though he raised taxes through the roof from 2007 through 2010... But what about his running mates???

WHAT HAVE THEY DONE FOR RIDGEFIELD???

# ABSOLUTELY NOTHING!!!

# VINCENTZ, WOJATOWSKI AND OSMANSKI BAD FOR RIDGEFIELD

**Warren Vincentz spent your tax dollars foolishly while Finance Chairman, his running mates have done nothing for our community... and now they want your vote???**

**Where were Bob and Dave when Ridgefield needed them during Hurricane Irene???**

Not helping the town like the Suarez Team who were on the streets helping residents, and planning with emergency responders to protect our community!!!

**Where were Bob and Dave when a developer wanted to construct a waste transfer station in town???**

Not objecting to the application at meetings with the Suarez Team who were able to defeat the project!!!

**Where were Bob and Dave when the Suarez team held the line on taxes??**

They weren't at the public meetings when the Suarez team eliminated the Vincentz administration's unnecessary spending and overtaxing of residents!!!
